**Second Public Hearing for Proposed Owner-Initiated Annexation of Approximately 45.36 Acres of Land in Tarrant County, Known as the 3600 FM RD 1187, in the Far South Planning Sector, AX-18-008 (FUTURE COUNCIL DISTRICT 6)**

Mentone Partners, LLC, has submitted an application for full-purpose annexation of approximately 45.36 acres of land in Tarrant County, south of FM 1187 and east of Oak Grove Road South. The proposed annexation area contains vacant land. This site is proposed to be developed for residential uses. Upon annexation, the area will become part of Council District 6 and is depicted in Exhibit A.

The proposed annexation has one companion case. The related zoning case (ZC-18-182) was heard by the Zoning Commission on January 9, 2019. The companion zoning case is scheduled for final action by City Council on the same agenda.

With owner-initiated annexation, Texas Local Government Code (Sec. 43.0672) requires a municipality to negotiate and enter into a written agreement with the property owner for the provision of municipal services prior to annexation. The services that the annexation area will receive immediately upon annexation are: police, fire, and emergency medical services; solid waste services; library services; building inspection and code compliance; maintenance of existing public water and sewer lines; and public street maintenance. The proposed Municipal Services Agreement for this annexation area is attached for review.

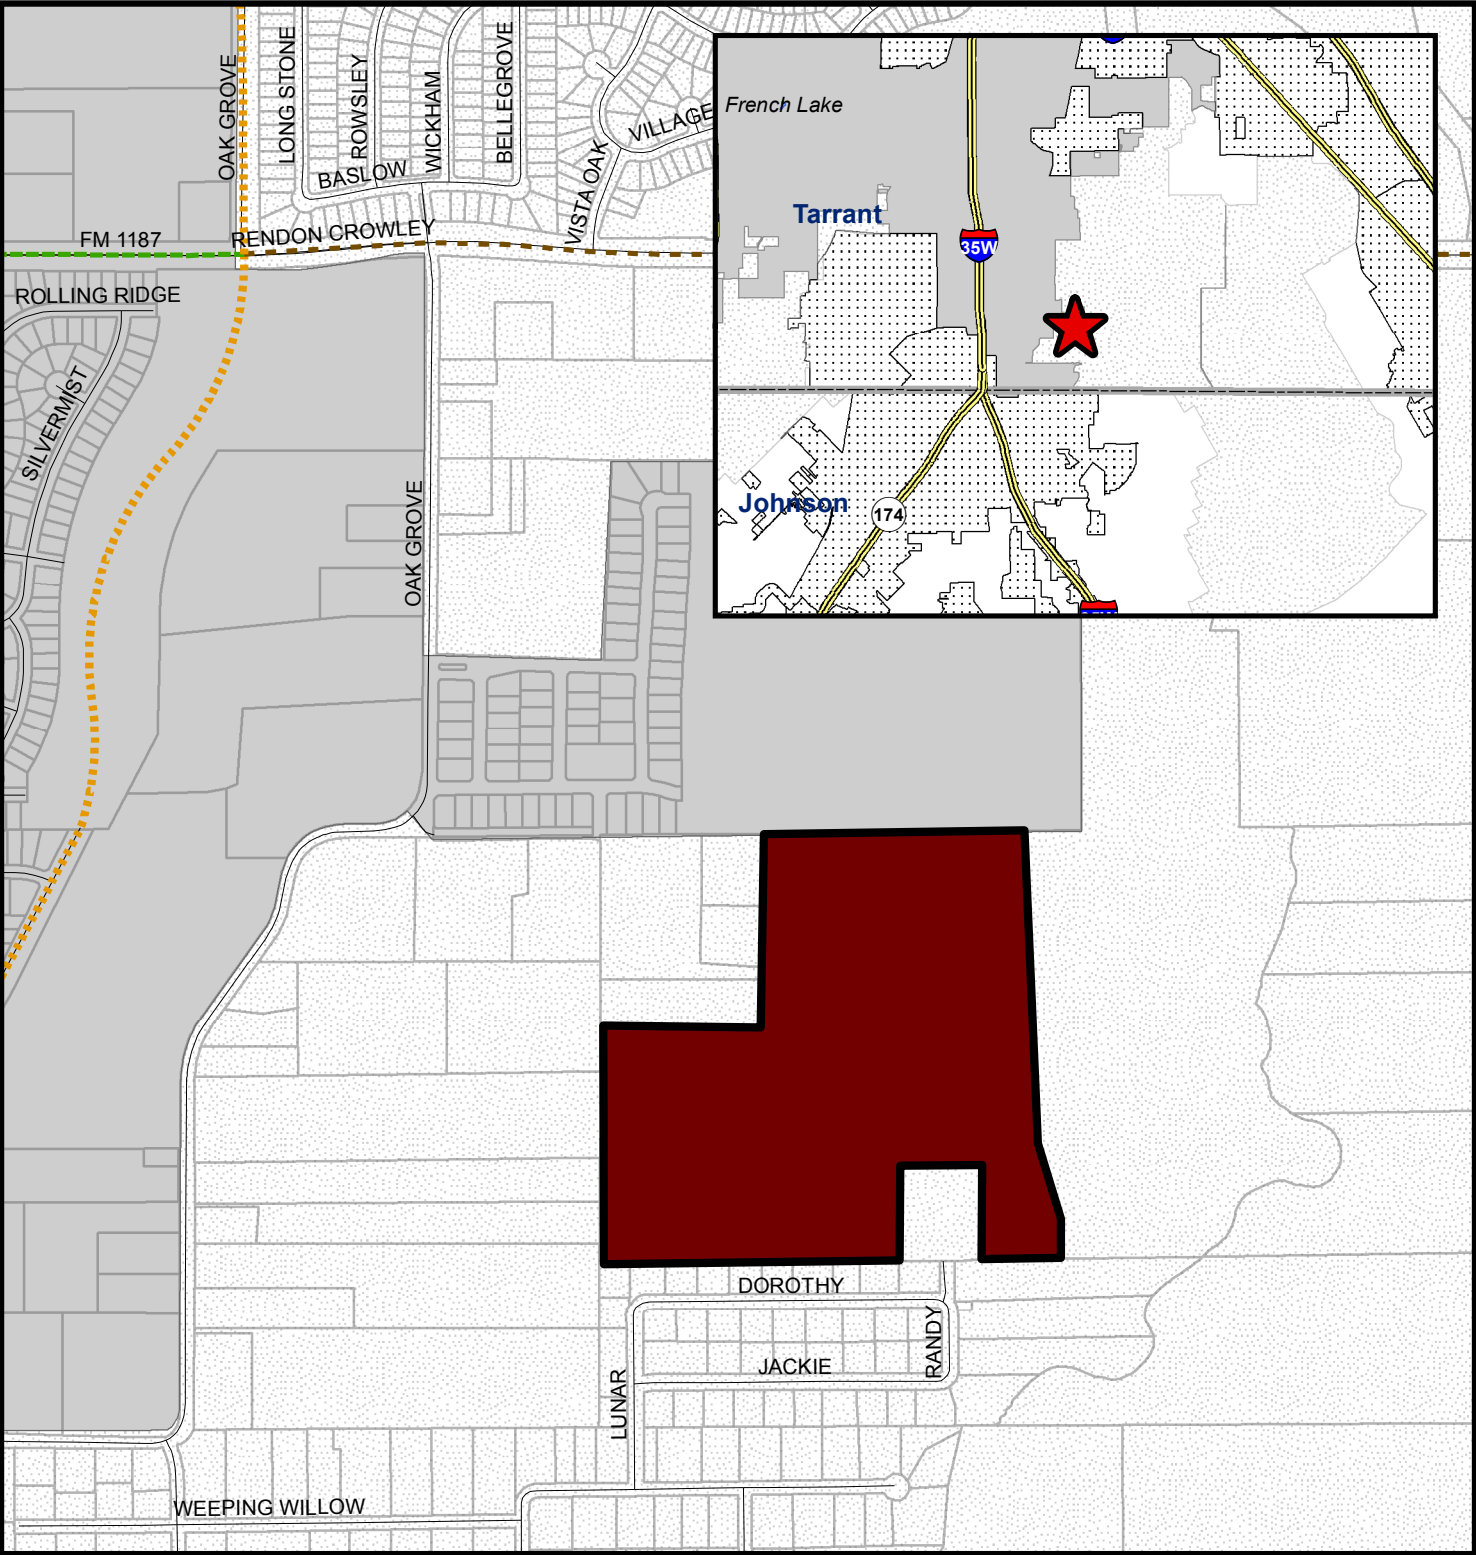

State law (Sec. 43.0673) also requires a municipality to hold two public hearings on proposed owner-initiated annexation to receive public comments. The first public hearing for this annexation area was held on February 5, 2019. The second public hearing is scheduled for March 5, 2019. On March 5, the City Council is also scheduled to approve the Municipal Services Agreement and to adopt an ordinance annexing the area for full purposes. The only City Council action necessary on March 5 is to close the public hearing after receiving public comments.
